Unit R8b, Riverside Block
Sheaf Bank Business Park
Prospect Road, Sheffield, S2 3EN
t: 0114 258 7450 f: 0114 258 6379
e: contact@raarchitects.co.uk

Directions to our Sheffield studio as follows:

Follow the **A617** to **Chesterfield**, then the **A61** signed for **Sheffield**. Stay on the **A61** following the signs for **Sheffield / city centre** for about 12 miles.

After approx 9 miles you will come to a major roundabout on the ring road - go straight across. The road becomes more urban, you pass a **Morrisons** store on the left about 1/2 m after. Continue on / down hill.

The road bends to the right + you pass a Catholic church on the left. Continue straight on, pass a **Honda** dealership on the left + a **Homebase** store on the right.

You will shortly see the stone retaining wall to the **railway embankment** on the left hand side of the road. Look out for a furniture store called **PONSFORDS** on the right, which occupies two corner blocks.

Almost immediately after the 2nd block you will see a **half timbered pub** on the **RIGHT** called the **BRIDGE INN** + a railway bridge over the main road. Use the **filter lane** to turn **right** at this point, turning right to go under another railway bridge with its distinctive pigeon droppings and go steeply up hill. (**GLEEDLESS ROAD**)

Go up the hill for a few hundred yards and turn sharp left at **PETER WARD ENGINEERING / SHEAF VIEW PUB**.

Go through the **BIG BLUE GATES** and park in visitors parking. We are in the building on the left (blue double doors) door phone 16.

Best of luck!

If you find yourself lost, call us on 0114 258 7450.
